

2019-20

One form, many resources for your school!

8/2/19

Dear Parent/Guardian:

This year's *Meal Application* is part of LAUSD's "More than a Meal" campaign. You may already be aware that completing a *Meal Application* helps the District provide many of the following resources to students:

- Healthy and nutritious meals that exceed USDA standards
- Funding that supports classroom resources
- Before and after school academic enrichment and recreation programs
- Fee waivers for college applications and admissions exams (PSAT, SAT and Advanced Placement)
- Health and wellness services, and so much more!

We strongly encourage all parents/guardians to submit a *Meal Application* regardless of if you believe your child/children will not qualify based on your current income level. Completing an *application* takes less than 10 minutes, and parents only need to complete one *Meal Application*. If you have a child/children in different schools, you still only need to complete and return one application. If you have not already received an application via U.S. mail or from our school, you can get a *Meal Application* from the school office or cafeteria.

Meal Applications may also be completed online at www.myschoolapps.com. Once you submit an application, you will receive a notice in the mail as to whether your child/children can receive free or reduced-price meals.

EVERY ELIGIBLE FORM COUNTS! Every eligible form that is not submitted means lost resources for our schools.

Please complete the *Meal Application* and return it to our school or in the mail as soon as possible. ***All information provided is completely confidential and will not be used for any other purpose.*** When completing the application, please:

- Use black or blue ink only
- Complete ALL sections of the application
- Remember to sign the application
- Submit the completed application as soon as possible

For more information, please call the School Office at 310-241-1900

Thank you for providing this information and for helping to ensure that our school continues to receive the critical funding needed to serve our students.

Sincerely,

Diana Zarro

Principal
