Create a collage based on two scenes in your text. Must include title, character names, and author's name.	Create a storyboard for the major scenes in your text. Provide the chapter title and brief description for each scene. <i>May use PowerPoint or Google Slides for submission.</i>	Keep a character journal, recording the observations of a central figure as they move throughout the story. <i>Minimum of 5 entries</i>
Design a postcard relevant to the text and write a brief message from one character to another.	Write a short "Dear Abby" letter asking for advice on behalf of the central figure in your text. Include a short response.	Create a Cast List for the film version of your text. Explain which famous actor or actress would play each central figure in your text and why.
Adapt a popular song to your text. Lyrics must be school appropriate.	Retell a part of the book from one character's point of view.	Make a diorama based on a scene of your choice. Scenes may not be built in anything larger than a size 12 shoe box.

To choose a book for your project, you must go to <https://fab.lexile.com/> and ensure that you pick a book that has a minimum lexile level of 850. You can put in your lexile level to get a recommended book list or use the book search to check the lexile scores of books.
